

# Person and environment Oppression and privilege Systems theory

Art and text by Jessica Ehlers

# Feminism?

Breasts and a  
precarious stance.  
Running atop moving  
spheres and don't  
ever let them catch  
you looking ugly.

# Oppression and privilege

Oppression happens  
when the elite lean  
back atop those that  
hold them comfortable,  
leaving the rest to  
watch through rainy  
windows.

# Person and environment

Everyone so  
confused where and  
how they fit in.

# Person and environment

Looking to the  
left, looking to  
the right. Only at  
the end of our  
searching do we  
look inside.

# Systems theory

Where we seek to unify the chaos and bring it all together into one shining, albeit fleeting, ray of understanding.
